 **GOLDEN**

FAMILIAR FABRIC NAMES WITH NEW ITEM CODES

For ease of transition, we created a colorway that is similar to the Porto pattern, therefore keeping the names the same and adding a new Camel color to replace Copper.

- **CALYPSO (TCP)**
- **CAMEL (TCM)**
- **HAZELNUT (THA)**
- **SHIRAZ (TSZ)**
- **STERLING (TST)**

The **NEW Tucker pattern** is a luxurious fabric with a modern, updated look in five rich color options and a subtle pattern. Engineered for extreme comfort and durability, this new fabric has a soft hand and tailors extremely well on our power lift recliners, bringing out the design of our chairs.

Tucker fabric repels moisture, resists stains, and is easy to clean. It features our new, exclusive **Stain Guard** offering protection from everyday living, such as liquid spills like coffee and wine, and non-liquid spills like ketchup and chocolate. Spills bead up and sit on top of the fabric until they are gently blotted with a cloth for clean-up. Tucker fiber content is 100% polyester and can be cleaned with water-based shampoo or foam upholstery cleaner.
