— GEORGE R.

SCOTT MEUSER
CHAIRMAN & CEO
PRIDE MOBILITY®

With over three decades in the power lift recliner industry, we know that our business is about you, our customer. We're humbled when you choose to bring one of our power lift recliners into your home, knowing that it must fit your lifestyle and decor.

Pride® Power Lift Recliners is the culmination of your direct feedback. You wished for luxurious comfort, exceptional quality, state-of-the-art features and elegant designs. Over a 30-year period, we listened and refined, then listened some more. The result is the Pride line of power lift recliners designed for you, your home and your lifestyle.

We understand that bringing a power lift recliner into your home isn't just a purchase, but an investment – toward your comfort, home décor, and lifestyle. We deeply value that you, our customer, have enabled us to meet those vital goals through Pride Power Lift Recliners.

STA-KLEEN®

ESSENTIAL

ULTRAFABRICS® ULTRALEATHER®

Ultrafabrics® Ultraleather® on Pride® Power Lift Recliners offer a richly detailed grain pattern expressive of premium grade leather. Ultrafabrics polyurethane products are manufactured utilizing Tukumi™ technology, a 4-layer laboratory process to create a luxurious, durable and comfortable polyurethane fabric.

FEATURES AND BENEFITS

- Rich feel and natural grain pattern expressive of soft luxury-grade leather
- Clinically proven more resistant to temperature changes than vinyl and genuine leather for comfort
- Antimicrobial surface cleans effortlessly with soap and water

CRYPTON® SUPER FABRIC

Crypton® Super Fabrics from Pride® Power Lift Recliners are not only luxurious, durable and contemporary, but also resist spills, stains, odors and bacteria. Nothing gets past Crypton’s unique patented integrated fiber process, protecting your upholstery inside and out.

FEATURES AND BENEFITS

- 100% water resistant – spills just wipe away
- Only disinfectable fabrics in the U.S. approved by the EPA
- Permanent technology that will not come off the fabrics
- 5-year warranty on moisture barrier

LEXIS STA-KLEEN® PERFORMANCE FABRIC

Lexis Sta-Kleen® Performance Fabric is a revolution in faux leather upholstery — the first stain resistant urethane fabric. Sta-Kleen offers permanent protection, created with a proprietary bonding process inherent in the manufacturing process of the product. It is not a topical application; it will last the lifetime of the upholstery.

FEATURES AND BENEFITS

- Look and feel of real leather, but with care-free durability
- Exceptional strength, abrasion resistance, and UV stability
- “Stain shield” allows spills to wipe off with a cloth, and it’s anti-bacterial
