

# Vision Sport

## Mid-Wheel Drive

The Vision Sport is a true center wheel drive power chair with six wheels on the ground at all times. This along with a robust suspension allows the Vision Sport to handle diverse terrain . The standard Vision Sport comes with the LiNX controller that allows for easy Bluetooth diagnostics and programing. The contoured semi-recline high back seat is not only stylish with contrasting stitching but is comfortable for all day use.

Vision Sport with Seat Lift
